

We have just reached a milestone!

Dear Residents at Claremont Parkway!

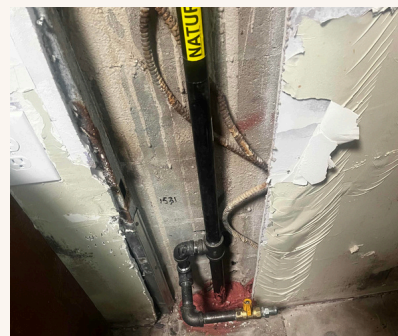

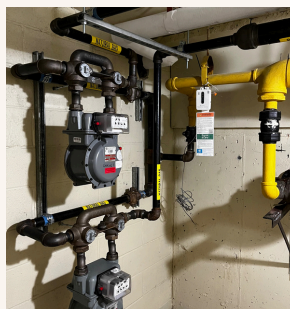

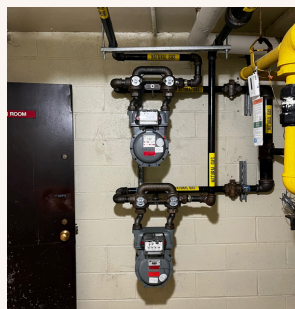

We appreciate your patience, cooperation, and trust in the work that we do. We are delighted to announce the successful revamping of an entire building's gas system in just nine weeks—half the originally projected time! We are committed to maintaining an open-door policy and encourage you to contact us with any questions, issues, or concerns you may have.

We look forward to working closely with you toward more success in the future!
